Update from the Chair

I do hope this newsletter finds you well and that you all had a good Christmas and New Year. Hopefully, Spring is on its way to brighten our days.

In most newsletters I stress the importance of volunteers to the Association and I have good news to report. Paul Weavers will continue as Treasurer of the Association but is now being joined by Steve Fairweather who will carry out the invoicing to those who use the Community Centre. I would like to thank Steve very much and welcome him to the team.

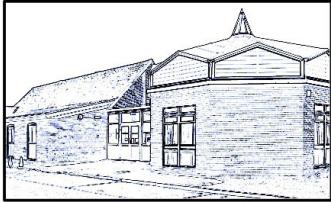

The Management Committee is busy as ever and quotes are being sought for work to be carried out to the roof of the Jane Bolton Lounge. Planning permission is required so this may prove to be a lengthy process, I will keep you updated. Work on the refurbishment to the kitchen is to commence on Monday 16th March and will last for 10 working days. All users of the Centre have been informed but we hope to keep disruption to a minimum. I am sure the end result will be worth it as we continue to enhance the appearance of the Centre.

As many more houses are being built in Felixstowe, lots of new people are moving into the area and may like to visit the Community Centre. If you would like to advertise your group/organisation on our website 'Centre Activities' page, please email a short description of the activity, time and cost, and contact details, and send it to dave.songhurst@gmail.com. We also welcome contributions to our two-monthly Newsletter providing news updates on Centre activities, see our Newsletter web page for details.

The next Community Market is being held on Saturday 14th February, (Valentines Day) from 10am until midday. We are putting together a Valentines basket as the main prize in the raffle and donations for this would be most welcome.

Martello Ladies

In December Phil Corey and Upfront Productions presented us with a "Christmas Cabaret". This was a mixture of comedy and music and certainly put us in a festive mood. It was followed by seasonal refreshments of mince pies and mulled wine.

After all the Christmas and New Year celebrations were over it was nice to have our annual meal to look forward to which took place on the 8th of January. This year it was held at the Spa Pavilion who kindly stepped in at the last minute when the Golf Club had to cancel due to circumstances beyond their control. It was well attended by our members, many of who commented that they had really enjoyed their meal. They then had the chance to win one of the over thirty raffle prizes!

On 5th February our meeting is entitled "Mad as a Hatter" and on 5th March "Reaching the Heights". Intrigued, why not join us? We meet at the centre at 7.30 and visitors are always welcome.

Felixstowe Morning WI

Felixstowe Morning WI enjoyed a double Christmas celebration with the excellent Colneis singers at our December meeting followed by an excellent Christmas lunch at the Alex. January found us debating this year's national resolutions and hearing about ways to avoid scams and fraud from two representatives of the Yorkshire Building Society.

We have started 2026 with our speaker Paul, a local underwater diver/photographer, with his photos from an archipelago off Malaysia bringing colour to a dark and cold January night.

We have a trip to the Wolsey Theatre coming up to watch 'Murder at Midnight', and plans to visit Stowmarket Food Museum and sample their school dinners from the 50's, 60's or 70's, which I think will be interesting bringing back mixed memories.

New members have joined us from Levington as their WI closed, we are always happy to welcome new members. Our speakers for the year are all booked, which will have us entertained. We continue with our lunches, coffee mornings and walks each month.

We meet on the third Tuesday of each month at 7.30 in the Margaret White Hall, or just follow the sound of chattering ladies.
